

Why not work in Lower Saxony and Bremen?!

From the North Sea Islands to the beautiful rolling Harz hills Lower-Saxony and Bremen has it all! We offer the lively city life of Hanover and Bremen, but also the convenient for escaping to the peace and quietude of our idyllic countryside.

Lower Saxony and Bremen are federal centres of academic excellence and scientific innovation. For learning German, as a second language, our region does not only offer high standards of language teaching but also the opportunity to benefit from an accent neutral environment. What you hear in class is what you will hear in the community. Global enterprises and dynamic small and medium-sized companies significantly contribute to the core of the German economy (www.lower-saxony.de).

The International Placement Services (ZAV) are a member of the European Employment Services network EURES - we place our services at your disposal free of charge!

We are looking for Registered / trained Nurses (M/F) in Wolfsburg

Who we are:

The Diakonisches Werk Wolfsburg e.V. is a successful Christian company with several institutions of geriatric and youth welfare and several different social services.

With its more than 10 different facilities, including among others, inpatient and outpatient care, residential care or long-term nursing care, about 1400 employees and hundreds of residents and patients, the Diakonie is one of the leading companies for geriatric care in this region.

Following our corporate philosophy "What would you have me do for you", we support people of all ages and their relatives who are in need of help. It is our aim to maintain or improve the quality of life for our patients and their families by promoting their independence and individual initiative.

To enhance our team, we are looking for an examined nurse (m/f) at the earliest possible date.

We can offer full time / part time employments with maximal 38,5 hours/ 6 days per week.

Why not work in Lower Saxony and Bremen?!

Your tasks include:

- professional organisation of the resident-oriented, holistic, activating care and support of the residents in your living area
- inpatient or outpatient care
