

AFOL MILANO – SERVIZIO EURES

Riferimento	EURES Svezia Ref. 48/2024
Mansione	<p>Doctor of Medicine with specialization in gastroenterology</p> <p>Karolinska University Hospital is one of Europe´s leading university hospitals with around 16 000 employees. Medical Unit for Gastroenterology, Dermatology and Rheumatology are looking for one Doctor of Medicine with specialisation in gastroenterology to work in the Section for gastrointestinal diseases. The section is responsible for medical gastroenterology, mainly inflammatory bowel diseases, the growing group of check point inhibitor- associated enteritis/colitis, neurogastroenterology, intestinal failure and rare gastroenterological diseases, which means that broad knowledge in internal medicine and nutrition is necessary. Karolinska University Hospital is one of the two National centres for Highly Specialised care for intestinal failure in adults. For this we work multidisciplinary together with dietitians, clinical pharmacologists, psychologists and other professionals. We have one of the Nordic countries' most complete laboratories for physiological examination of the gastrointestinal tract, including panenteric capsule endoscopy. Recently, we have also implemented intestinal ultrasound.</p> <p>Your clinical work as a specialist/assistant consultant/consultant includes inpatient and outpatient care. Endoscopy, capsule endoscopy and ultrasound are available within the department.</p> <p>Requirements</p> <ul style="list-style-type: none"> • Registered Doctor of Medicine within EU/EEA with specialisation in gastroenterology • Ability to work in multidisciplinary team • EU/EEA citizenship • English language proficiency at CEFR level B2 • Good recommendations/references from current/previous employer. <p>Type of contract: Permanent, full-time contract (40:00 hours per week). The employment will start with a trial period of 6 months.</p> <p>Salary: Starting salary for a Doctor of Medicine with specialization is approximately 6000 Euro per month. Salaries at the Karolinska University Hospital are set at an individual level and in accordance with collective agreements governing salaries. As part of collective agreements salaries are reviewed and raised annually. Days of paid holiday: Annually minimum 25 days of paid holiday. Language requirements: We recommend that you start learning Swedish as soon as possible as this is a requirement in working with us. Once you have reached CEFR level B2 you can start your introduction. We have set aside 20% of your working hours for language studies during the first 6 months. Once you reach level CEFR level C1 you can apply for Swedish license as Doctor of Medicine. Accommodation: We will assist you in finding accommodation in Stockholm where you can live the first year/ year and half.</p> <p>You will also be offered;</p> <ul style="list-style-type: none"> • Reimbursement if you need to go the doctor • Annual wellness grant • Access to fully equipped gyms at the hospital • Special deals for employees on memberships at a number of gyms <p>How to apply: send CV and COVER Letter in English to b.dalessio@afolmet.it</p>
