

Coollest Job Ever: Ice Hotel in Sweden

Looking for Housekeepers

A chance to develop together with us at Icehotel - one of Sweden's top attractions and mentioned year after year as a dream destination by people worldwide. The business consists of traditional hotel rooms and cottages, Icehotel 365 a hotel by night, and an art gallery by day.

Are you detail-oriented and want to work in a dynamic environment? Then this might be the job for you!

Responsibilities and tasks

As part of our housekeeping team, you will play a crucial role in ensuring a pleasant stay for our guests.

- Cleaning cabins, hotel rooms, and deluxe suites in Icehotel 365
- Cleaning public areas such as reception, restaurant, and office spaces
- Take care of hotel laundry
- Some cleaning may also occur in staff accommodations

Qualifications and skills

We are looking for someone who is thorough, self-reliant, and has a strong sense of service.

- Experience in similar work in hotels or cleaning
- Good communication skills in English
- Ability to work efficiently under pressure and handle multiple tasks simultaneously
- Flexible and enjoys working in a team

Personal qualities

You are positive, committed, and have an eye for details. You are proactive, can work independently, and are ready to go the extra mile to exceed our guests' expectations. Experience in the hospitality industry is advantageous but not required.
