

The ZAV-International Service, a department of the Federal Employment Agency in cooperation with EURES, recruits and supports employees from abroad interested in taking up employment in Germany.

For a company in Mülheim/Ruhr we are looking for motivated and flexible

Insulators

Place of work: Mülheim/ Ruhr

Your tasks:

- Independent execution of technical insulation work in the areas of heat, cold, noise and fire protection
- Processing various insulation materials such as mineral wool, rubber and PIR
- Installation of molded insulation parts on construction sites and in technical systems
- Support in the assembly of molded parts in the workshop (cutting, preparation)
- Quality assurance of the work you carry out

Your profile:

- Completed vocational training or comparable experience in technical insulation
- Confident handling of common insulation materials and their processing
- Manual dexterity and clean work
- Ability to work in a team, reliability and flexibility
- Driving license class B would be an advantage, but is not a condition
- Basic knowledge of German language is sufficient

And this is what we offer you:

- a permanent job with collectively agreed pay
- High-quality work clothing and professional tools
- a strong team that supports you - even with new challenges
- Support in finding accommodation and dealing with authorities
- Earnings: 19 euros/ hour

The ZAV-International Service supports your job-seeking in Germany. We are a department of the German Federal Employment Agency. Our services are free of charge.
