Web Designer (Remote or Hybrid in Malta)

Number of Positions: 1

Contract Type: Indefinite

Job description
We are looking for a creative and passionate Web Designer to join our dynamic team at Raise. If you master the principles of modern design, know how to combine aesthetics and functionality, and have a strong UX/UI sensitivity, this opportunity is made for you!

- Create attractive and functional web mock-ups and interfaces
- Improve the UX and UI of our existing platforms
- Collaborate closely with the product, development, and marketing teams
- Ensure visual consistency of our brand identity across all digital channels
- Design responsive web pages that meet current standards

Requirements
- Proven experience in web design / UI-UX design
- Proficiency in Figma, Adobe XD, or other design tools
- Solid understanding of web constraints (responsive design, performance, accessibility)
- Strong web culture and keen eye for graphic details
- Autonomous, creative, and meticulous

Training provided
Onboarding to the team and the company.
Each manager is responsible for training the new recruit within their respective team. The training will be based on the recruit's job description as well as an introduction to the world of trading.

Any assistance with accommodation/relocation
We regret to inform you that we do not provide assistance with accommodation or relocation.

Any other benefits
We offer access to a gym, weekly team events, and breakfast on Monday mornings. Additionally, we have a very flexible leave policy to accommodate our employees' needs.

Salary
€30,000 to €40,000 per year.

How will the interviews be held
The first interview will be conducted online, and if successful, the second interview will take place online with the manager responsible for the respective position.
