

EURES Vacancy Form

Employer

The employer is a registered Austrian company that has entered into a personnel search agreement with AMS Austria through the EURES network. As a result, the NCO Austria will act as the representative of the employer.

Due to the importance of transparency and evaluation within the framework of PMS (Performance Management System), all applications will first be reviewed by the AMS EURES Advisor, and ideally also by your EURES staff. If an application is deemed suitable, it will then be forwarded to the employer. Direct contact with the employer will only occur once an appropriate match has been established. If required, we can provide the employer's contact details to you, with the understanding that this information will not be shared with third parties.

Contact

All application documents for pre-selection should be submitted exclusively through AMS Austria. Please refer to the contact details in the "Application" section – Mrs. Helga Steinberger, EURES Adviser for Tyrol, Austria.

Description of Company

The employer is part of the public service in Austria: Public hospitals in Tyrol.

Job title

Midwife (m/f/d) – Maternity and Childbirth Nurse

Job description

As a midwife, your core responsibilities will include:

- Providing professional and personalized care to patients and their partners during pregnancy and childbirth.
- Caring for patients and their newborns during the postpartum period.
- Collaborating with a multidisciplinary team to ensure comprehensive care.
- Contributing to the continuous improvement of processes and team cooperation within the ward.

Skills

To be considered for this position, you must meet the following criteria:

- Completed professional training in accordance with the "HebG" (Midwifery Law).
- Registration as a licensed midwife.
- Commitment to individualized birth support and spontaneous labour management.
- A strong sense of responsibility and duty.
- Excellent social and professional skills.
- Proficiency in German at a minimum level of B1.
