

<http://www.icum-tools.it/it-it/LAzienda>

The company has 110 years of experience in **toolmaking**.

Over the years, it has gained a great deal of experience in the **manufacture of standard and special custom-made brazed and mechanically clamped tools** for machine tools such as lathes, milling machines, machining centers, and machine tools for wood, plastic, and general grinding machines.

The company is seeking **n. 2 Machining Center Operators**. Candidates should have experience as a milling and/or turning worker and be able to read mechanical drawings and use the main measuring tools.

The company does not work shifts; working hours are 8 a.m. to 5 p.m. with a one-hour lunch break.

We offer:

- Permanent contract
- Housing (apartment equipped with kitchen and appliances)
- Annual gross wage average: 30,000 Euro

To apply, please, send CV and cover letter via email to:
