JOIN CHAT WITH JOBSEEKERS

In the next step, you will be automatically redirected to the Jitsi interface where you can manage your chats with jobseekers.

Now you can communicate using instant messaging (the 'chat' option). You can also connect with jobseekers in video mode. Simply use the buttons at the bottom of the screen to switch between the different modes. If you cannot hear and/or see the jobseeker, click on the 'Settings' symbol to adjust your microphone and/or camera setup.

Before they can reach you through the chat, all jobseekers will be placed in a lobby so that you are in control of who enters your chat. When a new jobseeker wants to join your chat, you will see a message in the chat interface and you will need to take:

If you would like to see who is waiting to join your chat, you can view a full list by clicking on the 'Participants' button. You can keep track of all users, including those joining or present in your chat (see below).

The screenshot shows the European Job Days website interface. At the top, there are logos for EURES (European Employment Services) and ELA (European Labour Authority). The main navigation menu includes links for 'home', 'events', 'exhibitors', 'jobs', and 'log in'. Below the menu is a search bar with fields for 'Search by keywords', 'Any category', and a yellow 'APPLY' button. A large, semi-transparent circular overlay with the text 'Video tutorials' is centered on the page. Two video thumbnail previews are displayed: 'Registration for Exhibitors (New)' and 'Registration for Jobseekers (New)'. Each thumbnail includes a play button icon and a 'Guarda su YouTube' button. The video titles are 'REGISTRATION FOR EXHIBITORS' and 'REGISTRATION FOR JOBSEEKERS' respectively.
